Lighting  
Available!

## All Glass Appearance Door

Providing the largest product viewing area in the industry, the STYLELINE F//X Plus® meets high-end applications by providing more exposure to the product behind each door.

The STYLELINE F//X Plus® also delivers a punch on features including the same energy efficient capabilities as our popular HYBRIDDOOR® while also providing the same product reliability we've been using for 40 years!

- No Glass heaters for NT applications.
- Condensation Protection up to 75% RH.
- Sleek, designer look with "frame-less" door and silk-screened glass pack.
- LED lighting standard.
